Taxes – As of the date of this proposal local and central government taxes are included for all services as levied by the government of the USA and countries visited as specified. In the unlikely event that tax structures are amended at any time prior to the travel date, we will pass on all such additional taxes to the travel agent or group organizer for collection, if necessary. Airport and airline taxes and fees are not included.

Currency Exchange and fuel surcharges – All prices are quoted using the prevailing rate of exchange between the GBP and the USD from the date the original offer was made. If the rate of exchange changes by more than 4%, we reserve the right to revise the selling rates according to the current exchange rate between the GBP and the USD. We reserve the right to change the price of the tour/program before it commences due to fuel surcharges, currency fluctuations, tariff increases from common carriers and suppliers, etc. If there is a surcharge to be applied such notice will be given no later than 90 days prior to the start of the tour.

Visa and Passport – US citizens require a full and valid passport to enter the European Community. Non-US citizens may require an entry visa and should check with the appropriate local consulate office, allowing good time to complete the necessary paperwork prior to departing the USA. Also, your passport must be valid for a minimum of 60 days at the time of departure.

Payments – Tour payments should be paid through PayPal. This allows protection for both the company and the traveler. An Initial payment of \$350.00 to register is required at the time the application is completed. Additional reminders to make payments going forward will be sent via newsletter and email. All funds must be collected 90 days prior to travel.

Responsibility – If we have to cancel a tour due to circumstances beyond our control, we will do everything possible to secure services of comparable or better standard or refund all monies in full. We accept no responsibility for loss or additional expenses incurred due to delays, changes, omissions or errors made by our suppliers including but not limited to air, sea, ground transportation, war weather, quarantine and strikes.

Claims – Any claims must be made no later than 30 days after the end of the tour.
