## Harrogate

Town in England

Harrogate is a town in North Yorkshire, England, east of the Yorkshire Dales National Park. Its heritage as a fashionable spa resort continues in the Montpelier Quarter with the Royal Pump Room Museum, documenting the importance of local mineral springs. Nearby is the restored, Moorish-style Turkish Baths & Health Spa. To the west, leafy Valley Gardens features the art deco Sun Pavilion.

The central Mercer Art Gallery exhibits fine art from its 19th- and 20th-century collections alongside contemporary works, often by local artists. Close by, the Royal Hall is a restored theatre with an ornate red-and-gold Edwardian auditorium. West of town, the vast RHS Garden Harlow Carr, created on the site of an old Victorian spa, features wildflower meadows and an area designed to attract hedgehogs. North of Harrogate, centuries-old Ripley Castle is home to walled gardens, a deer park and the Knights Chamber with its collection of armour from the English Civil War.
